

CALL FOR PROPOSALS

DATIA 2009-2010 Webinar Presenters

DATIA is seeking qualified presenters to share their experience and expertise with colleagues in the drug and alcohol testing industry via webinar presentations. To fulfill DATIA's mission of providing high-quality and relevant education to the drug and alcohol testing industry, we are establishing a webinar program that will offer webinars on average every other month.

We are looking for a wide variety of presentation topics that will address the varied continuing education needs of the full spectrum of drug and alcohol testing providers and end-users. We encourage presenter proposed topics as well as persons interested in presenting the following webinars that were identified by DATIA's Standards Committee.

Potential areas for session topics:

- Drug Court Testing
- Criminal Justice Testing
- Student Drug Testing
- Legal Issues
- Policy/Procedural
- Legislative/Regulatory
- Mandated Testing
- Business Practices
- Emerging Technology
- Networking/Partnering
- Non-mandated testing
- Treatment & Prevention
- Areas for Diversification
- Background Screening
- DNA Testing
- Wellness Programs
- Sports Testing

Committee Identified Webinar Topics

- What You Need to Know Before Starting Your Own Drug Testing Company
- ABCs of Alcohol Testing – An overview of the types and procedures
- Prescription and OTC Drugs and Their Affect on the Medical Review Process
- Champagne Marketing on a Beer Budget
- Writing and Revising Drug-Free Workplace Policies
- Incorporating Employment Physicals and Occupational Health Services into Your TPA Program
- Model Student Drug Testing Programs
